

UNITED STATES DISTRICT COURT
for the
EASTERN DISTRICT OF NORTH CAROLINA

U.S.A. vs. Jill Thompson Arrington

Docket No. 5:20-CR-14-1M

Petition for Action on Probation

COMES NOW Danele N. Williams, U.S. Probation Officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Jill Thompson Arrington, who, upon an earlier plea of guilty to Theft of Government Property, in violation of 18 U.S.C. § 641, was sentenced by the Honorable Richard E. Myers II, Chief United States District Judge, on November 3, 2021, to 60 months probation under the conditions adopted by the court.

On December 29, 2021, a Violation Report was submitted advising the court that the defendant failed to comply with urinalysis testing. Arrington was verbally reprimanded, and no punitive action was taken by the court.

On December 20, 2023, a Petition for Action on Supervised Release was submitted advising the court that the defendant was charged with Driving While License Revoked Not Impaired and Failure to Maintain Lane Control (23CR707368) in Nash County on October 7, 2023. Additionally, on October 15, 2023, the defendant was again charged with Driving While License Revoked Not Impaired (23CR707570) in Nash County. Arrington failed to inform the probation office within the required timeframe. Lastly, the defendant failed to make faithful restitution payments as directed. Conditions of supervision were modified to include a sanction of 60-days Location Monitoring.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

The defendant has provided documentation from the U.S. Department of the Treasury, which revealed the North Carolina Eastern District's Financial Litigation Unit will withhold up to 15% of her monthly Social Security benefit payment, to pay toward her debt owed. Additionally, the defendant is scheduled for the placement of a stent on February 5, 2024, which may require an overnight stay at UNC Health Nash in Rocky Mount, North Carolina. The defendant is scheduled to undergo a cholecystectomy on February 14, 2024, and anticipates admittance into UNC Health Nash, for a minimum of four days. In light of the subject's upcoming surgery and deductions from her benefits, the probation office proposes her supervision be modified to immediately terminate her Location Monitoring.

PRAYING THAT THE COURT WILL ORDER that probation be modified as follows:

- The location monitoring condition be removed.

Except as herein modified, the judgment shall remain in full force and effect.
